REALTY WORLD.

The Realty World

That's why we say Realty World offers you . . .

"A World of Difference

How It Works The plan protects the buyer from unexpected and sometimes devastating repair costs that may repair costs that may come up after the purchase of a resale home. The plan protects the buyer no matter what kind of home you are selling. No matter its age or location. It covers the buyer for one full year from date of closing on the following items*: The Electrical Systems

The Electrical System
The Central Heating System
The Central Air-Conditioning

Ductwork

A Competitive Edge

A buyer wants peace of mind about the home he buys. Put yourself in his place. Would you rather own a home with possible hidden repair costs, or one that was protected for one full year? Buyers buy

Home Protection Plan

assures you that most major systems plus certain built-in and free-standing appliances will work for one full year. Or they'll be repaired or replaced.

what they trust. That's why the Realty World Home Protection

ney trust. That's why the Realty World Home Protection
Plan may help speed the sale. The decision to buy
comes easier and faster if the buyer feels
secure. It may make for less negotiating and fewer counter offers.

If the sale is faster, you save
money. You pay less interest on your
payments. You get your money sooner to invest elsewhere.

And when closing is completed, the Realty World' Home
Protection Plan helps guard you
against possible iltigation on the
covered systems and appliances. covered systems and appliances The World of Difference is

Ine world of Difference is Inexpensive
It is a relatively minor cost
of selling your home. And you do
not pay for it until closing. In
fact...

Fifteen days after you authorize us to sell your home (and include the Realty World'Home Protection Plan), right up to the date of closing, we'll cover.

The Electrical System
Plumbing and Drainage Lines
