

'Arch of Prometheus'

As Lord & Taylor celebrates its first Christmas in Twelve Oaks Mall, shoppers at the store will gaze at "The Arch of Prometheus," the painted steel sculpture by Barry Tinsley of Chicago, in the Lord & Taylor Court. The arch weighs 18,000 pounds, is 22½ feet high and 38 feet wide. It cost \$25,000 and is the work of a Virginian who received his BA degree from the College of William and Mary in Williamsburg.
