MSA league meet next

Groves outswims Lathrup

It should have been a lot closer than

it was.

Southfield-Lathrup and Birmingham
Groves girls swim teams, both undefeated in the Metro Suburban League,
met in a showdown for first place last
Monday at Groves pool. When it was
over, there was no doubt who was the
faster team, as Groves swamped Lathrup, 109-63.

"We didn't swim as well as we should have," Lathrup coach Pete Big-lin said after the meet. "There were a lot of close everts, and I think our girls were mentally down after we lost a few of them.

a few of them.

"A good example was the first event, the 200-Yard Medley Relay," he

said. "Our team swam their best time of the year (2:00.7), but so did Groves (2:00.5), and they just beat us. Those kind of things can have a negative mental effect on the team."

Lathrup captured only one first place in the meet. Lisa MacMillan won the 100-yard breast with a time of 1:13.4.

Both Lathrup and Groves are now preparing for the MSA league meet, which take place this Friday and Saturday. The championship was originally scheduled to be at Troy Athens High School, but problems have forced the location to be changed. The meet is now tenatively set to be at Lathrup.

Biglin commented. "Bat I think it will be a good league meet. And I think we will give them a better challenge than we did (in Monday's dual meet).

"I don't think amybody will challenge us for second," he added. "Adams and Lacher should battle it out for third, and Dondero and Albens will be at the bottom. Dondero could have been better, but their best swimner, Julie Stevenson (winner of the 200- and 500-yard free events in last year's state meet), is out with a bad shoulder. But I expect us to be in the chase."

naily scheduled to be at Troy Athens High School, but problems have forced the location to be changed. The meet is now tenatively set to be at Lathrup.

"I'D HAVE TO say Groves is the favorite to win the championship," and the state meet, which will be held Dec. 1 and 2.
