RCA Sportable
high performance
black & white television
for people on the go!
19" diagonal

\$138

RCA's most reliable black & white television ever. This set features the most reliable black & white chassis in RCA history. Its 100% solid state construction means there are no tubes to burn out or generate damaging heat — a major cause of TV breakdown. The result is cooler operation and longer life expectancy. Chassis voltage: 20,000 volts.
