## Paper by The Pound

Create a special gift with Paper by the Pound. Choose paper and envelopes (matching or not) from a rainbow of bright colors. We'll weigh your selection on our scale (personalize it if you wish), add pencils or pens to match and pack it all up in a little brown tote.

Come visit the Paper Place for exciting (sometimes outlandish) gifts, great party goods, delightful soft sculptures and (sometimes outrageous, always unusual) greeting cards.

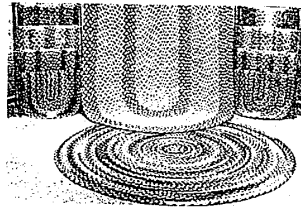

Set in Christmas stockings for stuffing or gift-giving.

Add beauty and elegance to your table like fancy carvers do! Unique mold makes it easy. Just add water. Freezes overnight. Rusted mold can be used over again. Many different designs available. They're not on sale. They're just priced that way.
