

Houghten elected to chair road board

Fred D. Houghten, a two-year road commission veteran, has been elected Oakland County Road Commission Board chairman.

Houghten, of Avon Township, succeeds John Gnu Jr., who had been chairman the last two years. Gnu, of Bloomfield Township, will become the road commission's vice chairman. The three-member board picks its own officers.

Road commissioners are appointed by the elected Oakland County Board of Commissioners.

Houghten is no stranger to county government. He was chairman of

the Oakland County Board of Commissioners in 1975 while serving as an elected commissioner from the 6th district. Prior to that, he was chairman of the commission's powerful finance committee.

In addition, Houghten is a past chairman of the Southeast Michigan Council of Governments' Council on Environmental Strategy. That council developed and implemented a seven-county Water Quality Management Plan. Houghten, as a county commissioner, also was a member of SEMCOG's executive committee.

GREAT NEWS for fishermen! Save these bottle caps and nail them top down on a piece of scrap wood. Makes an excellent fish scaler. Try an Observer & Eccentric Classified Ad when you want to sell something.

ALL ABOUT ANIMALS

Dear Doctor:

Can my six-week-old German Shepherd puppy get worms from milk?
K.S., Oak Park

Dear K.S.,

Milk does not give worms (intestinal parasites) to a puppy any more than it gives worms to people. It's still not a good idea, however, to give your puppy milk because it can cause digestive upset - either nausea or diarrhea. Once a puppy has been weaned from its mother it needs a good, well-balanced puppy food and plenty of fresh water and that's all. No milk, no bones, no table scraps of any kind.

FOR KIDS:

If your dog stays outside all the time, you must be sure he has some place shady to rest. Also give him fresh, cold water two or three times every day. In the hot weather he will need a lot more to drink to keep him cool.

Dear Doctor:

Is there a vaccine to prevent feline

leukemia? How is the disease transmitted?

J.H., Birmingham

Dear J.H.:

Leukemia in cats is caused by a virus. Intensive research on this disease is in progress and it has been proven that it is transmitted both by direct contact with an already infected cat and also from a mother cat to her kittens. At present, there is no vaccine available to prevent this awful disease.

FOR KIDS:

Never, never, give medicine to your cat unless your veterinarian has specifically prescribed it. Cats react very strangely to many common home medications. Aspirin, for example, can be fatal if used incorrectly.

The Southeastern Michigan Veterinary Medical Association welcomes questions from readers. While each one cannot be answered individually questions of general interest will appear in this column. Write to: "All About Animals," S.E.M.V.M.A., P.O. Box 688, Plymouth, Michigan 48170.

Put a Storm Door on Your Patio Door and Save Money.

\$109⁹⁵

Feather-lite

This remarkable new Storm Door acts as a thermal insulator when installed over your existing patio door.

- Buttons out the coldest opening in your house - your patio door!
- Seals out cold and drafts around your patio door.
- Pays for itself through savings in heating and air conditioning.
- Relieves ring and condensation on your patio door.
- Made with tempered safety glass.
- Fits 5'x6" and 6'x6" standard openings.
- Easily installed by anyone.
- Available in Pella white and Bronze finishes.

NOW!!! Thermo-Shield Cellu-Pink Insulation Is Available at Pine Lumber

COMPARE R VALUE

The larger the R value, the more you'll save on your fuel bill. 6" of cellulose-pink has an R-22 value. It takes 10" of fiberglass to equal this.

COMPARE PRICE

Not just by the bag, but for the coverage you need. A bag covers up to 33 sq. ft. 5" thick, gives you an R-19 value for just...

\$4.69 PER BAG

45% MORE HEAT RETENTION than Aluminum Doors!

Guaranteed to last for as long as you own your home!

NEW!

the Forever door

No other insulating door in the world can match the advantages built into EMCO's Forever Door. In certified tests, it displayed far better insulating ability than aluminum doors. And it's so durable that EMCO guarantees it to last for as long as you own your home. Consider additional features like a completely self-cleaning combination screen and window, a security key lock and a long-lasting DuPont finish and it's easy to see why everyone's excited. Stop in soon and check out the amazing Forever Door for yourself. We promise you've never seen anything like it until now!
