

JAGUAR XJ-S

MGB

TRIUMPH TR7

The more you like driving, the more you'll like Jaguar, MG & Triumph.

Here are the great road machines from British Leyland. They're built by enthusiasts for enthusiasts. Consider the fabulous XJ-S, the performance machine from Jaguar: fuel-injected, V-12-powered, it may well be the best-handling four-passenger car in the world. Or drive the wide-open classic con-

vertible, the MGB. It's the best-selling convertible in America. Then there's the bold, innovative TR7, which sets trends and turns heads wherever it goes. If you truly like driving, a delightful surprise awaits you behind the wheel of any of these great cars. Drive any one of them, and see for yourself.
