

Design wins 'M Award'

Rossen/Neumann Associates of Southfield is a winner of a 1978 "M Award" for use of masonry design in the Cleaners Hanger Company office building. The building is located at Telegraph and Maple Roads in Bloomfield Township. The annual honor awards program is sponsored by the Masonry Institute of Michigan in cooperation with the Michigan Society of Architects. Rossen/Neumann's award was its second straight in the program. The firm also won a 1977 award for its design of the Troy Place office complex in Troy. The Cleaners Hanger Company office building was designed to respond to the owner's requirement for a prominent, yet conservative appearance on a very low site. The building was completed in November 1977.
