It's so 'in' L&T jumps on handwagon

Leopard-print, sequins and zebra are featured in Calvin Klein's "reveler" fashions with polished shoulders and warm tones in such a rich and subtle. The slim skirt worn in it was featured in the "reveler" trend of June 1981. All models in "L&T" style.

Liber's new, right, has a shaped, pleated, black wool jacket as basic thrust, worn belted over pleated skirt. The new feminine blouse is in silk with lace-trimmed yoke at neck. Above, the Chinese influence is seen in the channel quilted jacket by Emanuel Ellis, worn over rayon tunic and corse great chemise.
