First...And Foremost! at SFA: The Significant Knits of Vesna Bricelj for Overture.

By this time, it's no surprise that knits are shaping up to be one of the prophetic looks of fall. But there's more than one way to knit a trend this year! Knits may be cobwebby, pointelle affairs that bring to mind the Chanel suit. Or they may be—will be!—knits such as these from Overture: crunchy, nubby, cabled, striped, intarsia'd components that spin out a whole new character for knit-dressing. Hand-knit, charismatic! pullovers, cardigans, jackets and skirts that are sporty in manner...undeniably fresh in their appeal. These, then are the newest knits! to collect and covet as modern classics from Vesna Bricelj for Overture. All, for sizes S,M,L in the Overture Knit Boutique—where we are all the things you are!
