Award winning scouts look for a scoutmaster

Boy Scout Troop, 179, which meets in Church of Christ, continues its search for a new scoutmaster.

Fourteen of the young men have just returned with a total of 47 awards after a week's camping in Northwest Scout Reservation near West Branch. And for the fifth straight year, Troop 179 took first place in the camp-wide water carnival competition.

"In addition to that," said Juliusan Hovanessian, "Troop 179 is extremely well equipped and well financed."

"We sure would appreciate hearing from any interested adult who wishes to serve as scoutmaster. Lots of help will be provided."

Interested persons are asked to contact Bill Shortt, 474-9421.

The troop basically serves the same area served by Longacre Elementary School. Church of Christ is located at 34550 Freedom Road, Farmington Hills.

Amana TOUCHMATIC II Radarange
MICROWAVE OVEN

Model RR-10A

Cooks by time or cooks to temperature — with remarkable accuracy

- Even holds at temperature to tenderize economy cuts of meat.
- A wide range of Cook/Microwave power levels because different foods cook best at different speeds.
- 700 watts cooking power.
- Amana made the first microwave oven with a memory. Touchmatic II has our most advanced memory yet. Remembers an amazing combination of defrost and cook programs.
- Even remembers the time of day.
- Automatic start time.
- Separate timer you can use anytime.
- Stainless steel interior.
- Amana is the only microwave oven manufacturer to earn a U.S. Government warning label exemption.

Another Amana first — the exclusive ROTAWAVE™ COOKING SYSTEM

A rotating shower of power that cooks more evenly and cooks most foods faster than ever before!

It's a completely new technology that uses a rotating antenna to beam microwave energy directly at food in a uniform, rotating pattern. So it cooks more evenly, cooks most foods faster than before, and most foods require no turning. It's the best thing that's happened to cooking since microwaves.
