Station earns support

Some 4,500 Channel 56 supporters pledged a record-breaking \$203,539 during "Summerfest," the station's 12-day awareness and fund-raising campaign, which ran Aug. 17-28.

That's a 57 percent increase over the \$129,583 raised during the same period in 1978. It is also considerably above the \$150,000 goal which was announced at the beginning of the campaign.

Channel 56's new president and general manager, Jack Caldwell, increased the goal shortly after he joined the pledge drive team because of the plans for growth that he envisions for Detroit public television.

The community response that followed was tremendous, Channel 56 reported.
