

U-M stadium routes

Anyone driving to Michigan-Notre Dame football game next Saturday in Ann Arbor should arrive in the stadium area one hour before the 3:20 p.m. kickoff. The Automobile Club of Michigan recommends that all football fans take I-94 to the Saline Road exit (lower left corner of the map). It will be one-way inbound before the game and one-way outbound afterward. Motorists should avoid

the Maple and Miller roads area (upper left corner of the map) because of construction. No other major construction projects are planned on main routes leading to the stadium. There is parking for 10,000 cars within easy walking distance of the stadium. More than 105,000 persons are expected for the game.
