THIS TURNS YOUR FIREPLACE INTO A BEAUTIFUL HEAT SOURCE.
This is new Convecto-Pane® Plus. It makes your fireplace a beautiful, energy-saver because it saves heat. And it makes heat. Its discreet built-in heating device sends 15,000 extra BTU's of heat into your home every hour to give your family more warmth and lower heating bills.
- Close doors and damper and after the fire goes out, your heat doesn't.
- Provides full, clear view of the fire because no heat-making hardware shows.
- No power required to produce heat.
- Uniquely constructed doors and frame generate their own special heat.
- Comes in two finishes and four sizes to fit virtually any fireplace.
Beautifully.
Due to the extraordinary heat-making capability of Convecto-Pane® Plus, it should not be used on an all-metal fireplace.
