

MR. AND MRS. STANLEY LANGTON

## The Stanley Langtons mark 65th anniversary

Farmington residents Stanley and Edith Langton will celebrate their 65th wedding anniversary in October. The couple were wed in St. Joseph Catholic Church in Erie, Michigan, on Oct. 7, 1914.

Each is one of nine children. He was born in Brest, Mich., attended Monroe High School and Monroe Business College, and retired as a salesman with Western and Southern Life Insurance Co.

She was born in Erie, and attended

Kiester College in Toledo, Ohio.

The couple lived most of their married life in Detroit and moved to Drake Apartments here in 1973 where Langton enjoys card and pool games in the club house.

They have three children — LaVern Langton of Sun City, Ariz., Dolores Taggart of Farmington and Richard Langton of Grand Rapids. They have 13 grandchildren and four great grandchildren.

## Dog obedience training starts for all breeds

Dog obedience training begins for all breeds, at 7 p.m. Thursday, Oct. 4, in American Legion Hall, 3175 Grand River, and continues for 13 Thursdays evenings, sponsored by Metropolitan Dog Obedience Training School.

The requirements are that the dog must be at least four months of age and have proof of distemper vaccination before registrations will be accepted by Valerie Sprader, 851-5088.

"One way to make your dog a good citizen and neighbor is through obedience training," Ms. Sprader said. "A

poorly behaved dog is a problem for everyone. Nothing is more frustrating than attempting to corral a dog that will not come when you call."

She continues by saying that the dog with basic manners is not the dog that one will find in animal shelters or pounds.

Teaching a dog to be well-behaved is most easily done when the dog is young and has not acquired bad habits.

The school's motto is "A dog worth owning is a dog worth training."

## THE REYNOLDS COMBINE!

Newest Member in the Reynolds Family of Quality Water Conditioning Products. The Combine is a combination of three water conditioners—

- It softens the water.
- It removes the iron and rust
- It filters out the cloudy yellow and turbidity.

This is no ordinary "water conditioner"—the Combine is completely unique for the purpose of solving real water problems.

The Combine is available in Cabinet Models, Compact Models, and 2-tank all fiberglass models—in a size for all homes and small commercial applications.

Liberal trade-ins

Yes, you may rent them, too. Rental fees apply toward purchase.
