against Western on a five-yard run in the second quarter. Greg Mehall kicked the extra point. Western tied it in the fourth quarter when Bob King ran three yards for a TD and Xenos kicked the PAT.

ALTHOUGH THEY didn't show it in the Western game, two more Harrison offense threats are senior quarterback Bruce Morrison, senior wide receiver Dave Prestel and junior wide receiver Reggie Upshaw.

"We've been getting good leadership from our quarterback," Harrington said. "We've had a strong passing game. And our punting game has been very strong. Our punter, Mark Alcan-

lata, is only 5-foot-7-5, but he's been averaging 43 yards a punt. That's amazing. That's almost as good as the Lions."

The Harrison-Churchill game starts at 7:30 p.m. Friday. Churchill High is located on Newburgh Road south of Ann Arbor Road.

back Bruce Morrison completed only two of nine passes for 12 yards against Western, but the rain certainly had something to do with that.

It should be another tight contest, like the Redford Union-North Farmington game. The game will be played at Churchill Friday at 7:30 p.m., giving the Chargers the home-field advantage. Still, Harrison is unbeaten and I have a hunch the Hawks are going to stay that way, through the end of the league season at least. PICK - HARRISON.

**FARMINGTON-WATERFORD**  
It's been an unusual season so far for Farmington. The Falcons have dropped all three nonleague contests, but remain in the race for the ILL title by virtue of a pair of wins in the league.

Unfortunately for Farmington, it's through with the easy part for the schedule, both league and nonleague. From here on in, it's going to be a battle.

Waterford, this week's opponent, has lost once, and that was in an ILL game against Stevenson. Last Friday, Waterford buried Milford Lakeside, 35-7.

Tom Shellnut led the rushing attack for Waterford, gaining 134 yards on 16 carries and scoring two touchdowns. Quarterback John Coe also threw a pair of touchdowns to end Butch Plaughter, one 12 yards and another 35 yards.

Farmington had little luck in its trip north. It lost the ball five times on turnovers, setting up all three Bay City touchdowns. It was uncommon for the Falcons give up the ball so often, since

that is one phase of the game they have been strong in. Mistakes will be one thing Farmington will have to cut down on if it is going to beat Waterford.

The game is at Waterford, starting at 7:30 p.m. Friday. If Farmington can win this one, it'll play for the league championship next week against Stevenson. But beating Waterford is a very big "if." PICK - WATERFORD.

### NORTH-FRANKLIN

North has given up only four touchdowns in five games this year, which isn't too bad. Still, it has lost two of those games.

Against Redford Union, it was the offense that couldn't get going, at least after the opening drive. The one-point loss to the Panthers will cost the Raiders the NSL title, but their season is far from over yet. They still have some very tough games ahead of them.

After meeting Franklin Saturday, North must go up against Westland John Glenn in its final league game, then play Harrison and Farmington. The schedule isn't as overpowering as Farmington's, but it's not easy.

What North coach Ron Holland must guard against now is an emotional let-down against Franklin. The Patriots always come up with some surprises, and then play Harrison and Farmington. The schedule isn't as overpowering as Farmington's, but it's not easy.

Franklin is coming off a 6-0 win over Redford Thurston and will have the home field advantage. The game will begin at 2 p.m. Saturday. PICK - NORTH FARMINGTON.
