Kingswood wins C-D tennis regional

Bloomfield Hills Andover, an up-and-down boys' golf team all year long, put things together at the right time Fri-day, winning the Class A regional title at Grand Blanc's Atlas Valley Golf

The Barons, who are battling for the Greater Oakland Activities League crown, scored a team-total 329 for the title. Host Grand Blanc finished second at 324 and Birmingham Brother Rice, who sported the regional medialist in Pat Ramos, placed third with 327. These three teams qualified for the Class A state match which will be held saturday at the Pine View Golf Club in Kalamazoo. Brimingham Scaholin, one of the top golf teams in this area, just missed

qualifying for state with a fourth-place total of 331. Southfield-Lathrup was seventh at 338, Birmingham Groves was eighth at 339 and Bloomfield Hills Labser placed 10th at 346.

Waterford, last week's Oakland County match champion, placed only sixth with a 337 total. It won the Oak-land event with a 314 score. Barron coach Don Dennis was pleased with his team's effort.

"They shot their average and that's what it took," Dennis said. "I told them to wear warm and dry clothes and that helped. It was a good steady chain (of scores) and we'll be ready for the state."

RAMOS, a senior, shot a 39-34 — 73 for the title. It was one-over-par on the rain-soaked course which saw only five other golfers break 80 for the 18-hole round.

Andover's Bill Ammerman placed second in the match, three strokes be-hind Ramos, with a 76. The Barons got great balance from Dan Aronovitz, who

Brother Rice coach Jim Rademacher was elated with Ramos' triumph and his team's qualification.

"Our goal was to finish in the top three (to qualify, I didn't care where as long as I didn't finish fourth.

"I feel sorry for Seaholm, They have a good team. Andover just put it all together."

Seaholm's Josh Mondy shot a 79 to lead his squad, while teammate Mike Green added an 80. But Rob Jeske, usu-ally the Maples best golfer, shot a sur-prisingly high 87 to put Seaholm out of contention.

Groves' top golfer was Chuck Laines, who carded a 79. Don Coates paced Lahser with an 82, while Adam Stiles and Ken Angrove shot 79 and 80, re-spectively, to head the Chargers from Lathrup.

The teams could not play on Sunday,
so the finals were held Monday.
Matches were played at Village
