

Ear and mind blower

This is the look of today's auto sound systems — at least at the Ford Motor Company. This stereo AM/FM, 8-track tape player has more than 900 components, including a quartz crystal module which provides tuning without

moving parts. Oh yes, the radio has a memory. Just program it, and your favorite stations are at your fingertips — instantly. The radio is optional on the LTD and Marquis, and standard equipment on Lincoln
