

# Peggy Fleming heads cast of Ice Follies skaters

A spectacular called "Ice-A-Hoy" salutes the Navy in 44th edition of Shipstads and Johnson Ice Follies.

Olympic Gold Medal winner Peggy Fleming is the special guest star of the 44th edition of Shipstads & Johnson "Ice Follies," presented by Irvin Feld and Kenneth Feld of Ringling Bros. and Barnum & Bailey Circus.

"Ice Follies" is playing Detroit's Olympia Stadium for 19 performances through Sunday, Nov. 25.

Ms. Fleming is a raven-haired beauty renowned for her grace and elegance on ice. She displays the breathtaking style and skills that have thrilled the public since her Olympic victory in Grenoble, France, in 1968.

Kicking off the 44th edition of the Ice Follies with a true theatrical flair is "Show Biz" — an assemblage of female skaters.

From "Show Biz" to China, the cast of the Ice Follies takes the audience around the globe for an adventure via the "Legend of the Golden Dragon."

The action goes from the Far East to the Far West, and an old-time country hoe-down, as Ice Follies cowgirls and cowboys do-si-do and swing their partners to contemporary country music favorites.

THE CAST of Ice Follies sets sail for a voyage aboard the "S. S. Follies" — featuring Ice Follies precision skaters, 32 women performing intricate, unified

movements on ice in a nautical salute to the Seven Seas entitled "Ice-A-Hoy."

Waltzing pair skaters present a perennial favorite "Swing Waltz," in ballroom-style dancing.

The gang from Sesame Street — Big Bird, Bert, Ernie, Cookie Monster, and company — boogie on the ice in yet another lively Ice Follies sequence.

Richard Dwyer celebrates 30 years of appearances with the world's original ice extravaganza. Susan Berens is a fourth-generation figure skating champion, appearing with the follies.

Other stars include Olympic Silver Medalist Dianne deLeeuw who displays the qualities that made her a champion in 1976, and David Comb, with an array of acrobatics and daredevilry on ice. Comb does speed-charged dives over flametopped hurdles and through hoops of razor sharp steel teeth.

BACK WITH Ice Follies is England's flashy skating champion Paul Heath. The Beattys are back on the ice with ballroom buffoonery. Young Ken Johnson present original, jazz-rock style skating. Grace Trautwein and Karen King make their professional debut as solo performers. Bobby Pendleton, 30, also takes his first bow with the ice extravaganza.

The enduring "Mr. Frick," an Ice

Follies regular for 41 years, is back on the grand stage with his familiar barrage of humorous skits.

Chris Harrison and Lisa Carey, participants in the World Professional Pairs Championships, make featured appearances together.

Former Miss Toronto, Barbara Berzowski, and David Porter are recent World Champion ice dancers who are yet another duo of Ice Follies principals.

Colin Beatty, Ted Barton and Paul Fisher add fun and humor to the variety of entertainment as the "Scarecrows."

Germany's Evelyn Hans and her trained poodles make their debut in the follies.
