

School Board Honors Dr. Leroy Augenstein

FARMINGTON — The Farmington Board of Education passed a memorial resolution for Dr. Leroy G. Augenstein, approved administrative salary scales and took testimony on a bus driver's grievance at Monday night's regular meeting.

Trustee Richard Frankel offered the resolution honoring Augenstein, the 41-year-old member of the State Board of Education who was killed in an airplane crash Saturday.

Augenstein, chairman of the Michigan State University Biology Department, was a frequent visitor to the Farmington

district, Frankel said. Augenstein recently spoke on sex education at a meeting in Farmington.

IN OTHER action Monday, the school board heard a progress report on improvements made on the Colfax Avenue sidewalk. Earlier this fall, parents asked to have their children bused to Gill School and Power Junior High unless the sidewalk was improved.

The part-cement, part-gravel sidewalk is on the north side of Colfax from Farmington Rd. west to Gill Rd. Power Junior

High and Gill Elementary School are just west of the intersection of Gill Rd. and Colfax.

Business Manager William Prisk said almost all improvements ordered by the Board of Education at a previous meeting are completed. The gravel portion of the sidewalk has been made five feet wide, he said, and brush removed from the edge of the walk.

The ramp leading from the walk to the schools has also been improved, Prisk added.

A teacher to the audience said children seem to be using the walk now that it has been improved. Children walking in the street on their way to and from school reportedly have stopped traffic several times on Colfax Avenue.

ALSO AT THE Monday meeting, the board adopted a salary ranges for administrators.

The following is a list of salary ranges in effect this year with last year's ranges in parentheses:

Senior high principals, director of secondary education and director of personnel — \$20,985-\$34,220 (\$19,400-\$32,800).

Junior high principals and director of administrative services — \$19,875-\$31,300 (\$18,400-\$32,050).

Senior high assistant principals — \$19,390-\$32,900 (\$17,700-\$31,325).

Seek Junior Miss

FARMINGTON — Judges have been named for the preliminary of the Farmington Junior Miss Pageant, according to Bob Hiteckox, Farmington Jaycees pageant chairman.

The judges are Mrs. John Richardson, Ronald Wyszynski and C. W. Hogberg.

Mrs. Richardson is chairman of the Farmington Beautification Committee, former president of the Women's Auxiliary of the Jaycees and wife of City Councilman John Richardson.

Wyszynski is a former teacher and administrator. He is a lawyer presently serving as legislative consultant for the Garden City Public Schools.

Hogberg is manager of the Dale Carnegie Institute.

The preliminary pageant will be held Sunday, Nov. 16 in the Farmington Community Center, following a tea for judges and contestants.

The finals of the contest will begin at 8 p.m. Nov. 22 in the Farmington Junior High auditorium at 3300 Thomas. The public is invited.

Miss Linda Oldershaw, last year's Farmington Junior Miss, will crown this year's winner.

The Farmington Junior Miss will receive a scholarship and have the opportunity to compete in the regional and state Junior Miss competition.

The state winner will receive a \$1,000 scholarship plus a trip to Mobile, Ala. to take part in the national contest.
