CITY OF FARMINGTON OPPORTUNITY FOR A PUBLIC HEARING

All interested persons are hereby advised that the City of Farmington is proposing the improvement of the Farmington Road Shlawassee Road Intersection at the River Roage. The proposed improvement includes the construction of a new intersection at Farmington Road and Shlawassee Road at the River Roage. Both roads will be upgraded to four hans 6t 1 foot wife paymental) at the intersection.

In addition to the new pavement, the existing bridge over the River Rouge will be removed and replaced with a 30°-11"x10°-3" culvert. The bridge will be closed during construction and thru traffic will be errouted by a signed detour. Local traffic will be allowed to access up to the bridge site.

Information concerning this project, including preliminary plans and an evaluation of the social, economic and environmental aspects of the project, is available for public review and copying at the Office of the City Manager, 23600 Liberty Street, Farmington, Mich.

The project is proposed to receive Federal aid under the Federal Aid Urban Systems, and under provisions of Federal Law, any person who would be affected by the proposed improvement, may requise in writing, that formal Public Hearing be held concerning the social, economic, and environmental effects of this project. Such a request should be mailed to the City Manager, 250th Laberty Street, Farmington, Mich. 48024. This request must be received on or before January 3, 1980.
