would a charge-free checking account put a smile on your face?

It's no fun to be writing a check every time you turn around. But Manufacturers 200/500 Checking Plan makes it a little less painful by eliminating the service charge. Just maintain a minimum balance of \$200 or an average monthly balance of \$500. Either way you'll pay no service charges . . , no matter how many

checks you write.

And to make your checking even more convenient, Manufacturers will send you an itemized statement of all your checking activity each month, free of charge. Get all the facts at your nearby office of Manufacturers... MANUFACTURERS BANK
