DRIVE THE CAR'S EVERYBODY'S TRYING TO COPY

Rabbit Dasher Scirocco

No wonder. How often does a car come along with the combination of engineering, performance, space and handling? Other car manufacturers may copy our cars successfully. Someday. But you can drive a Volkswagen Now.

The Peugeot 604 gives you the engineering of a Mercedes-Benz, the handling of a BMW, the elegance of a Jaguar, and a level of comfort superior to all of them.
