

# MICHIGAN'S LARGEST OLDS DEALER JUST GOT BIGGER

We are the finest in service today . . .  
We mean to keep it that way tomorrow.

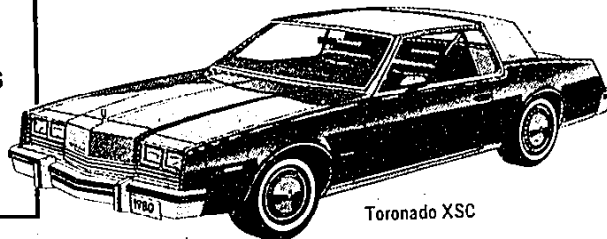

We are pleased to announce the completion of our all new used car facility. We have more than doubled the size of our used car area, so that we can offer you better selection and service. We have over 250 quality used cars in stock at all times, to give you the best possible selection. We thank all our customers for making us "No. 1" in sales. It is our intention, with our new expansion and future expansions, to remain "No. 1" in sales and service in the 80's.
