ARE INSIDE THESE EXCITING 1980 PONTIACS.

*Remember: Compare the circled estimated MPG's with other cars. Your mileage may vary depending on speed, trip length and weather. Actual highway mileage will probably be less than the highway estimates. Pontiacs are equipped with GM-built

engines produced by various divisions. See your dealer for details. Don't miss the excitement of the 1980 Pontiacs on display this year. Or you'll miss the best seats at the show. We'll be looking for you!
