

1980 AUTO SHOW

COME SEE WHAT MORE AMERICANS WILL BE DRIVING IN 1980

THE NEW CHEVROLET

We made The New Chevrolet Caprice and Impala right for the '80s... right for you.

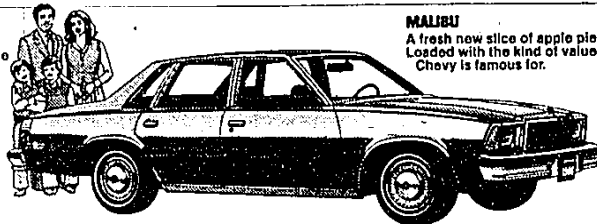

CITATION

It's a whole new kind of compact car. With room for five and front-wheel drive.

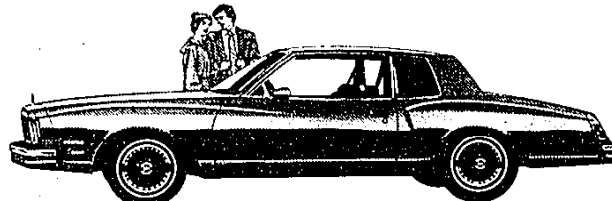

MALIBU

A fresh new slice of apple pie. Loaded with the kind of value Chevy is famous for.

MONZA

Your kind of features. Your kind of fun. That's the 1980 Chevy Monza in a nutshell.

MONTE CARLO

The only Chevrolet with an available turbocharged engine. You've never seen the likes of it before.

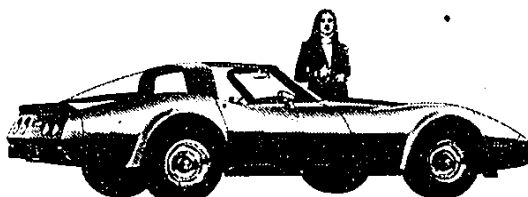

CAMARO

With the kind of roadability that creates legends, Camaro continues to live up to its proud nickname, "The Huggo."

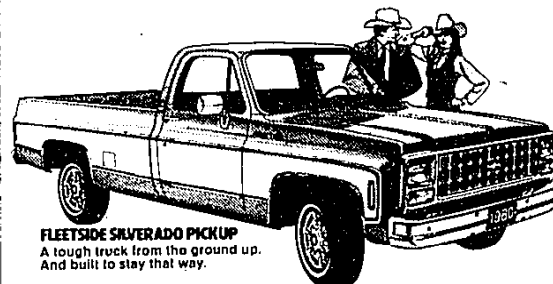

CHEVETTE

A lot of car for a lot of reasons. At a price that's easy to handle.

CORVETTE

America's only true production sports car. There's nothing else like it on the road.

FLEETSIDE SILVERADO PICKUP

A tough truck from the ground up. And built to stay that way.
