Harrison produces 'best year book ever'

"The Retrospect '80" has been declared by its editors as a fitting tribute to the school's 10th anniversary.

"I really believe this will be the best Retrospect ever," said Camille Chase, editor of the school's year book with Donna Lombardi.

"No other yearbook can compare with ours," Miss Lombardi said. "Nothing like this has ever been done before at Harrison."

The special anniversary edition will feature a gold cover with a new insignia designed by junior Clair Tribue. In addition, color is used for the first time. Seniors' pictures will be in full color as well as the opening section which has been expanded from past Retrospects to 16 pages.

Another change is that the book will be delivered in late August, rather than May or June, as in other other years.

"This will allow us to include all of

the spring sports, as well as prom, swingout and commencement. It will be a complete yearbook," Miss Chase said.

The yearbooks can be ordered through Feb. 8 for \$15 from any staff member.
