

SPECIAL ECONOMY AND VALUE MODELS FROM LINCOLN-MERCURY
 Lincoln-Mercury dealers are offering special packages of optional equipment on Monarch (top) and Zephyr models equipped with the standard engines. The Monarch package—available only on models equipped with the 4.1-liter (258-CID) standard engine—includes two-tone paint, a full or landau vinyl roof, a wide body-side molding, paint stripes, front and rear bumper guards and rub strips and styled steel wheels with trim rings for a suggested retail savings of \$218 over the cost of the items if purchased separately. The Zephyr package—available only on models equipped with the 2.3-liter (140-CID) standard engine or 3.3-liter (200-CID) optional engine—includes two-tone paint, accent-level interior trim, a vinyl roof, body-side moldings, bright window frames, dual bright rearview mirrors and styled wheel covers for a suggested retail savings of \$212 for models equipped with the standard engine and \$106 for models equipped with the optional engine. On the Zephyr Z-7, the package also includes a flip-up removable Moonroof and offers a savings of \$109 or \$217 depending on the engine.
