Jewish humor, drama to be performed at Sholem Aleichem

Let your Housepower go to work for you

with a Michigan National Bank FARMINGTON Homeowner's Quick-Cash Equity Loan

Your HOUSEPOWER means BORROWING POWER at your neighborhood Michigan National Bank - Farmington. The borrowing power that will help you enjoy a new boat, a swimming pool, an addition to your home, a summer cottage...or anything your heart desires! What is your HOUSEPOWER? It's the amount of equity you have in your home which is the difference between its appraised value and your first mortgage (if any). This equity provides the basis for borrowing a large amount of money at established Michigan National Bank - Farmington simple interest rates, with the maximum amount of the loan being determined in most instances by the size of your equity. It makes your home work for you...without affecting your present mortgage.

How much HOUSEPOWER do you have? For Example:

Appraised Valuation	\$30,000
Total Loan Value	x80% \$24,000
1st. Mortgage Bal.	\$12,000
Available for Home Equity	\$12,000

And you can take up to seven years to repay - in low monthly installments at Michigan National Bank - Farmington's money-saving simple interest rates. That means you pay interest only on the amount you owe. So the earlier you pay back your loan, the less you'll pay in interest charges. HERE'S HOW TO APPLY FOR AN EQUITY-LOAN. Simply stop in or call your hometown banker at any of the locations below and discuss plans with a trained loan executive. An appointment can be made if you like. Just remember...WE LOVE TO LEND.
