Asian sculpture shown in Toledo

One hundred seventy-six sculptures from an anonymous private collection and described as "by far the most important and comprehensive collection of South and Southeast Asian sculptures in private hands today," will be on view May 13 through June 24, at the Toledo Museum of Art.

"The Sensuous Immortals" includes sculptures in silver, stacco, bronze and stone, dating from the second century B.C. through the 18th century. The exhibition will provide visitors with a rare opportunity to explore regional styles of India, Kashmir, Tibet and Nepa las well as sculptures from Burma, Thailand, Cambodia, Vietnam, Sri Lanka and Java.

Organized by the Los Angeles County Museum, the show will provide a glimps of the force legrends and mysical beliefs of one of the consumer of
