

Award Winning Designs.

Mueller's Sunrise Nursery takes pride in the personal service given to customers for over 20 years. The Muellers have the knowledge, background and experience to plan and plant your property.

Mueller's Sunrise Nursery creates landscaping that is pleasant to look at and live in. For the past two years, Rudy Mueller has won First Place for Residential Design in the Metropolitan Detroit Landscape Association Awards. Mueller has also won First Place in the State Fair's Landscape Gardens category for the past three years.

For putting the finishing touches on an old home, or landscaping a new house, Mueller's carries varieties of evergreens, trees and flowering shrubs, both large and small. Many plants can be chosen from the 18 acres of growing stock or can be picked up from the Cash & Carry lot.
