# Board approves changes for elementary kids

The Farmington Board of Education unanimously approved elementary school boundary changes that will move 144 students to different schools in new growth areas of the district in September.

The request was made by Larry Freedman, assistant superintendent of instruction and chairman of the boundary changes and school closings committee.

Transfers for the 1979-80 school year include:

- 43 students in sections seven and eight from Woodale to Woodcreek.
- 77 students from sections 17, 18, and part of section 16 from Woodale to Beechview.
- 20 students in Section 21A from Longacre to Alameda.
- 4 students in sections 29C and 30 south of I-696 from Gill to Longacre.

"These changes will provide for growth in the west end and utilize space in the shrinking east end of the district," Freedman said.

He said parents and students in the affected areas have been notified of the changes.

Superintendent Lewis Schulman disbanded the school closing and boundary

changes committee and praised its efforts.

"The district accomplished many delicate tasks with finesse and skill this year," he said.

# THINK OF US AS THE FARMINGTON HILLS OPEN

**PLAY 18 HOLES ON SATURDAY AND YOU CAN STILL MAKE IT TO OUR BANK.**

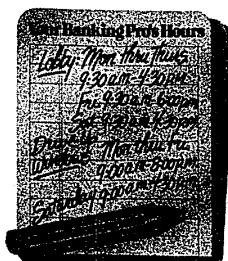

It's rough on our golf game, but we've learned that our customers enjoy the convenience of full-service banking, six days a week. So if you'd like to do business with a bank that's open when you need it — including all day, Saturday — we modestly suggest that we're your bank.

**PLAY NINE HOLES AFTER WORK, AND YOU'LL FIND THAT WE'RE STILL OPEN AFTERWARDS.**

These days, "banker's hours" are long hours at our offices. On the

average, we're open 62 1/2 hours a week — just so we can be here when it's convenient for you to visit.

So think of us, if you'd like, as the Farmington Hills Open. Just don't ask about our game.
