Now, an affordable private club... with a difference

If you're an active, vital "today" person, Hamilton Place is just the "Club" you've been looking for. It has the things you'd expect to find in a fine private club but with something "extra". That "extra" is an emphasis on fitness, health-maintenance and being active. At the Hamilton Place Fitness Planning Center you can have a complete fitness analysis, including stress test, and have a PHD design a strength and fitness program for you based on your analysis and your own specific needs. The vitality of the members is brought together in a year 'round social and recreational environment with restaurants, bar, athletic and recreational facilities.

TENNIS COURTS, PLATFORM TENNIS COURTS AND A GYM AT NO ADDITIONAL COST

HAMILTON PLACE DELIVERS REAL FITNESS

The athletic and exercise facilities are among the most comprehensive among private clubs in the country. But, real fitness is not just a matter of latest knowledge in exercise facilities. The science of exercise physiology has advanced greatly and many of the "old bromides" about health are no longer true. The Fitness Planning Center is dedicated to the application of the latest knowledge in exercise facilities. A "COUNTRY CLUB" FACILITY AT A SUMMER SWIM CLUB PRICE

The facilities of The Hamilton Place Club rank with the finest private clubs in the country, yet you'll find that the cost is comparable to a seasonal club with fewer facilities. Our initial membership fees and monthly dues are similar to any private swim club. Now that the athletic facilities are virtually completed and renovation of the restaurant and bar are about to begin, the regular Charter Membership rate will take effect Tuesday, May 15. So, come out now and take advantage of the lower rates while they are still in effect.
