THE 1979 ANNUAL EDITION

GORHAM STERLING SILVER SNOWFLAKE PENDANT

Actual Size

Designed and handcrafted by the famous Gorham silversmiths, this is the first in an annual limited edition series of sterling snowflake pendants. The mirror-like sterling silver captures and reflects the light as a unique expression of your good taste and appreciation for the finer things in life. The pendant is die-struck from sterling silver and rhodium-plated to preserve its gleaming finish. A 16-inch sterling chain completes this classic design in fine jewelry. Price \$20.
