

Registration set for June programs

By DENISE MOLL

Summer is upon us and soon the "hurry" of "there's nothing to do" will begin. There will be lots to do at your Farmington Community Library this summer and registration for many of these activities begins in June.

For all children who can read the library offers the summer reading club, "Kids are Superheroes." Children are asked to read and report on six books of their choice to earn a reading certificate. Registration begins June 14 at both libraries in person only.

Talking book patrons can join their own summer reading club, "Kids are Super — the World Round." Call the Oakland County Library for the Blind and Handicapped at 553-0300, extension 39 for full details.

Readers who are completing fourth, fifth, and sixth grades are invited to join us this summer for lively informal discussion of popular books. Group members will purchase three paperback titles: "Matti Gagan's a Boy," "A Gift of Magic," and "The House with the Clock in its Walls" for \$3 at the time of registration, which begins June 14.

7 at both libraries. The Farmington Hills Library will meet every other Wednesday, July 11-August 8, from 2 p.m. - 3 p.m.

THE FARMINGTON library group will meet every other Thursday from 2-3 p.m. from July 12-August 9.

Preschoolers, ages 4 and 5, can participate in our Creative Dramatics program offered from 1-1:45 p.m. on Wednesdays, July 11-25, at the Farmington branch library and from 10:30-11:15 a.m. on Tuesdays, July 10-24, at the Farmington Hills library. Register in person beginning June 14.

Young adults aged 11-15 who may have missed previous baby sitting instruction classes can join the summer session to be conducted at the Farmington branch library from 10 a.m. - noon on Wednesdays, July 11-August 1. Register in person beginning June 22.

The first of our young adult adventure programs will be a macramé workshop to be conducted from 2-4 p.m. July 9. A \$1 fee must be paid at the time of registration which begins June 22.

Hills' man gets new position

Earl C. Smith of Farmington Hills has joined the Bendix Automotive Control Systems Group (ACSG) as group director of manufacturing and quality planning, according to Michael A. Leonard, vice president and group executive.

Smith's responsibilities will include all ACSG manufacturing and quality operations in the Brake and Steering Division in South Bend, Ind., the Hydraulics division, in St. Joseph, and Bendix Automotive of Canada, Ltd., in Windsor, Ont.

Smith, who attended Lawrence Institute of Technology in Southfield, was previously employed as general manager of the Windsor (Ont.) Division of Kelsey-Hayes Co. and had served with the Kelsey-Hayes auto-truck group as Romulus Plant general manager and as vice president of quality control.

EARL C. SMITH

On The LIBRARY Line

Young adults who want to help their community and make new friends are invited to join our summer youth volunteer program. Volunteers help with library tasks and present a short play at our August pre-school program. Organizational meetings will be held from 2-4 p.m. on June 18 at the Farmington branch and from 2-4 p.m. on June 19 at the Farmington Hills branch.

Our second annual Model Airplane Building and Flying program will be conducted at 2 p.m. June 9 at the Farmington Hills library.

DEMONSTRATIONS OF basic model building, U-Control and radio free model for all who attend add up to what promises to be a great time for all. For full details on this and the above programs call the Farmington Hills library at 553-0300 or the Farmington library at 474-7770.

Just a note: the libraries will be switching to summer hours beginning June 11. We'll be open Monday through Thursday 9 a.m. - 9 p.m., Friday 9 a.m. - 5 p.m. Saturday hours will resume after Labor Day.

FATHER'S DAY GIFT

Looking for the perfect gift?

Why not give Dad an aerial photo/enlargement of his "castle" (or kingdom) anywhere in Oakland County.

Prices start at \$8.00.

For details call 858-0720, Oakland County Planning Division.
