An easy hole in one

Fore. There wasn't much of a discussion over which iron to play for this hole when Dave Rostek did his banking chores at the drive-in window. Driver Howard Shelton awaits him as the duo make the most

of every minute of Monday's great weather to practice their golf game at Independence Green in Farmington Hills. (Photo by Randy Borst)

FREE the perfect start to your personal art collection

FREE! An original handpainted Gray's Watercolor print of the Nichols School when you save at Michigan National Bank-Farmington. Open a new savings or checking account with a deposit of \$100 or more or add \$200 or more to an existing savings account at Michigan National Bank-Farmington and you will be on your way to a rare and timeless collection of art. The above is one of five watercolor prints of local scenes especially commissioned by us to say "Thank you" in a personal way to our new and our steady depositors.

Each an original print, handpainted in a limited edition. Because each print is handpainted through a hand process similar to that perfected by Currier & Ives just before the turn of the century, each is unique, a rare and individual job that will increase as long as you own it. Each is limited in number issued. The entire collection is comprised of five prints. Each picture, matted and ready for framing, is 11"x14". Each one is beautiful in itself, but especially effective when displayed in a grouping.

Plus—\$5 discount certificate is yours free with every subsequent \$50 deposit you make in your savings account. So that you can collect a full five print wall grouping, we give you free each time you deposit \$50 or more, a \$5 discount certificate. Using this certificate, you pay just \$6.95 plus tax to purchase any handpainted print in the series—a regular \$11.95 retail price!

Handsome frames are also available at a moderate cost without any additional deposit!

Each print is a limited edition. When the supply is exhausted, the lithograph plates will be destroyed. No further prints will be made, ever. This way the value of your picture is protected. But it does mean you must act quickly. Come to the Michigan National Bank-Farmington and see the exclusive collection of five prints displayed.
