It won't kill crabgrass, but it gets rid of houses fast.

Between one mowing and the next, your house could change owners. And you know that's fast!
How can we be so sure?
Because we're a member of the Homes For Living Network.
When our sign goes up a lot of things happen. With our exclusive Homes For Living magazine, a picture and description of your home can be available to home buyers in our area. And, through our 2,000 affiliated offices, we'll reach potential out-of-town buyers.
