VERY DESIRABLE BRIGHTON AREA

Magnificent 11 room, 3 bath Chalet Estate home on 7 acres of high rolling wooded terrain, lavishly landscaped. Less that three miles from City of Brighton, ten minutes from access to U.S. 23 and I-96

Oak-stained rough-sawn cedar paneling and 2 lovely winding staircases, plus 2 unique-ly designed imposing fireplaces express a feeling of grace and warmth.

Two-story high cedar-beamed cathedral cellinged living room has 36 ft. long cedar balcony overlooking large outdoor pool, lanal and cedar stockade. Lower level family room leads to walkout stone patio and stone steps to pool.

Gorgeous private meadow and pond view from master bedroom and through doorwall to small balcony outside. Another delightful view from loft down into the huge living room, greenhouse-dining room and open island style kitchen.

At the end of a quarter mile treed private lane, all on the property, this indescribably beautiful home could never be duplicated anywhere, nor could its surroundings. Its cedar shake roof with the four perfectly scaled dormers, is in itself a masterpiece.

If you are looking for a one-of-lis-kind hideaway estate in the \$300,000 range, please phone me at 313-1-229-8600 during business hours, Monday through Saturday or 1-227-7333, evenings or Sunday.

My dear wife, the inspiration for this custom fashioned 1970 home, died tragically last November. I have finally decided to dispose of the home, complete with all furnishings, appliances, utensils, tableware, linens, etc., all hand selected and of finest quality, so the new family can ease right into ready made luxury.

Possession can be immediate as I'm planning a move to our retirement home in Ari-

There is much more of interest to tell about this secluded, one of a kind estate that would add to its value, enjoyment and charm.

Three-stall auto barn and parking for several cars.

Final price and terms can be negotiated.
