Built by: Burt Construction Co and Granada Homes, Inc.

Between one mowing and the next, your house could change owners. And you know that's fast!
How can we be so sure?
Because we're a member of the Homes For Living Network.
When our sign goes up a lot of things happen. With our exclusive Homes For Living magazine, a picture and description of your home can be available to home buyers in our area. And, through our 2,000 affailated offices, we'll reach potential out-of-town buyers.
After all, they account for one-third of all home sales.
When you consider that our 25,000 Homes For Living sales associates have more than 10-billion dollars in home sales each year, you know we don't let any crabgrass grow under our feet.
