

# Walled Lake Board has woman president

Betty Campion has been re-elected to a second consecutive term as president of the Walled Lake Board of Education for the 1979-80 school year.

Robert Cooper was elected vice president, Warren Williams, secretary, and Steven Lasher was tapped for treasurer.

Janet Callahan also assumed her seat on the school board. She was the top vote-getter in the June election when she was elected to a four-year term to replace Barbara Scully. Scully retired after 20 years on the board.

The election of Campion marks the fifth time she has been selected president of the board during the past eight years.

She was first elected to the board in 1971 and was re-elected to a second four-year term in 1975. She's beginning her third four-year term.

IN OTHER BUSINESS last week, the school board:

- Appointed Warren Williams to serve on the Oakland County Intermediate Budget Review Committee and participated in the election of members to the Intermediate School District Board of Education. Leo Wessinger was selected as the alternate.

- Selected Wessinger as board liaison to the Michigan Association of School Boards for the purpose of keeping the board informed of items of special information.

- Voted to return the second Monday of each

month as the regular board meeting date. Starting time will be 8 p.m.

- The board also voted to expand a policy of conducting meetings at various locations throughout the district in an effort to encourage citizen participation. Last year the board conducted two of its regularly scheduled meetings in school buildings. This year the board will conduct four of its meetings in district buildings.

The Oct. 8 and March 10 meetings will be at the little theater at Walled Lake Central High School. The Nov. 12 meeting will be at Dublin Elementary School and the April 14 meeting at Maple Elementary School.

All other board meetings will be at the Administration Building on Pontiac Trail in Walled Lake.

The Walled Lake School District includes the western half of West Bloomfield Township.

## Care aids Nicaragua

Civil war victims in Nicaragua will receive help from CARE, the international aid and development agency.

"CARE is responding to an appeal by the Nicaraguan Red Cross whose representative said that food is fast running out with only a two-

day supply left for these people so cruelly displaced by civil strife," according to Susan Whittemore, Michigan CARE director.

As donations come in and funds permit, Miss Whittemore said, "CARE will provide additional emergency relief."
