

PINE KNOB COUNTRY CLUB

We invite you to join this very distinguished Country Club

Golf

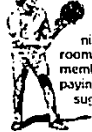

All golfers, we must hope, will realize at sometime the combination of a glorious day, a beautiful course, the companionship of good friends and an effective putting stroke. Our 18-hole championship course has been carefully carved from the natural valleys and contours of the land to provide you with the "beautiful course"—the rest is up to you.

Skiing

Pine Knob Ski Resort is recognized as the finest facility in southeast Michigan. As a full member you have complete use of the facility without charge. The ski resort features the longest ski run in the area, five chair lifts, the finest snow making equipment available, ski instruction, safety patrol, complete rental, ski accessory shop, cafeteria, gourmet dining and cocktail lounge. Weather permitting the ski area is open between November 25th and March 10th.

Tennis

Six outdoor courts are available for your tennis pleasure. The facilities include: Tennis Clubhouse, men and women's locker rooms and pro shop with rentals. Country Club members are entitled to use this facility without paying for court time. During prime time, we suggest you reserve your court in advance.

Outdoor Swimming Pool

Swimming and sunbathing will be a popular pastime at Pine Knob. We have carefully designed our pool with the following features: 30 feet in width by 60 feet in length, with depths from 3 to 9 feet. The pool is located just off the Tennis Clubhouse Terrace, immediately adjacent to the men's and women's locker area.

Lake Fleming

Lake Fleming is so different it seems to have been created by some kind of magic.

The south end of the lake pushes outward in a gentle curve where a sandy beach area meets with large oak and maple trees. The northern shoreline rises to create an impressive view of rolling fairways, velvet greens and golfers enjoying an afternoon in the sun. Fishing is excellent in this 26 acre spring-fed lake where you'll find bass, bluegills, sunfish and other game fish familiar to the area.

Rose Garden

Roses, symbols of elegance, perfection and romance, will lend their beauty and fragrance to a leisurely stroll in the garden. Family and friends will be delighted with the colorful, impressive arrangements of the world's favorite flower.

Gourmet Dining

As a member, dine in the finest tradition. The Mansion provides an elegant atmosphere in keeping with its past heritage.

The setting for this attractively appointed room is enhanced with original antique paintings, handcarved wall panels, stained glass windows and features superior cuisine.

Music Theatre

One way to double your excitement at Pine Knob is to actively take part in the outdoor Pine Knob Music Theatre program. With names like Frank Sinatra, Neil Diamond and Chicago, you will enjoy the finest in summer entertainment. We will assist all members in purchasing their preferred series season tickets.
