Park Garage In Process

Of Re-organization

New Man Acquired For The Force

NEW MACHINERY ON WAY

A good many changes have taken place in the Park Garage recently. Mr. Fred Newman, having sold out his interest to Mr. Kahrl, left, and his place has been ably filled by the latter.

New machinery is to be installed some of it having already arrived and more to come.

Mr. George Gaylord of Clarenceville, has taken a position with them and is an able mechanic. Repairing on all cars is sure to be of the very highest workmanship.

With all these new changes there is sure to be an increase in their business, and this has already been proven for they have sold a Transport truck to Mr. Ira Carnes. Mr. Joe Himmel-spach is a recent purchaser of a new Overland Four.

Service and courteous treatment seems to be the watchword of this new organization.

WILLIAM H. MAIDEN.

At the ripe old age of more than 80 years, William H. Maiden at the residence of his daughter, Mrs. Edwin Keilior, Sec. 6, Sheridan township, passed to his final rest, November 6, at 4:00 p. m.

Mr. Maiden was born March 24, 1841 in Farmington township, Sec. 24, and growing to manhood was married in marriage to Miss Rebecca J. Philp of Huron county, in 1867. Mr. and Mrs. Maiden lived in Southfield township, Sec. 31, till the spring of 1889, going to Salem Oregon, that spring. The returned to Huron county on May 1895. In the spring of 1896 they moved to their farm southwest of Bad Axe, moving to Bad Axe later, where they bought a place. Mrs. Maiden died May 1915. Since that time Mr. Maiden has lived most of the time in Bad Axe, till a short time ago when he went to live with his daughter, Mrs. Keilior. Four children born to Mr. and Mrs. Maiden remain, Francis A. Carl I. of Pontiac, Edna I. of Sheridan, Huron county, and Elmer A. of Pontiac.

Mr. Maiden was the last of the Maiden family who moved from York state in 1826. The funeral services were held from the home of Mr. and Mrs. Keilior and Rev. Robert Brown of the Presbyterian church, officiated. The remains were laid to rest Tuesday, November 8th, beside those of his wife in Verona cemetery.

EDNA KREAGER

The Senior rings have arrived. The Fourth graders are making Hootch A. B. C. books.

Stanley Arnold brought the Second grade a corn stalk log cabin.

This week Dearborn comes here for the last game of the season.

Senior chorus is studying "Recessional" by Kipling.

The Caesar class are making word trees.

The English 9 class are writing themes on "The Origin of Thanksgiving."

The Art class have designed covers for their English note books.

The children of the Third grade are arranging a Pilgrim table in response to a Pilgrim story.

The Third graders are sorry to lose one of their little boys, Arthur Burke, who is going to Detroit to school.

Miss Butterfield sent the Third grade some "wooden shoes" and Dutch pictures to use during their study of the Pilgrims.

The Fourth graders are making a Pilgrim book to keep Pilgrim stories, which they have written, in language.

Armistice Day was observed by a special program, the special feature being an address by Wilfred Hocking of Ann Arbor, who chose for his theme, "The Supreme Day."

The speech outlined Mr. Hocking's personal experience in the war. The speech was interesting and perfectly adjusted to audience and occasion. Students will welcome other speakers.

VILLAGE IN NEED OF IMPROVEMENT

The Village should have a storage tank for water.

The Village should own the creek bottoms from Grand River Slab city road—about 20 acres.

The storage tank will provide plenty of water for fighting fire.

The time is coming when we must have another well.

The tank complete and installed will cost about \$10,000.00 to \$12,000.

How shall we pay for it—bonds, or taxes—or both?

WHY?

The storage tank, capacity 200,000 or 250,000 gallons, will provide water when machinery breaks down.

The storage tank will maintain a more uniform pressure than we have at present.

The storage tank will provide water when the electric current is off.

The storage tank will do away with the automatic started at the plant. The pump working steadily for 6 or 8 hours per day will use less electric current than when they start up every 20 minutes as they do now.

We need the creek bottoms for the future to protect our interests in the outlets to our sewer system.

We should own the creek bottoms as mentioned above so that when necessary a proper filter for sanitary sewage may be constructed without damage being assessed against the Village by the neighboring property owners.

We do not know what the creek bottoms would cost if condemned and placed before a jury—do you?

The Village only owes about \$10,000 and can well afford to go ahead with the projects if the people so desire.—TAXPAYER.

Hopes Inquiry Will Clear Up Death Mystery Of State Trooper

Thanksgiving Day Proclamation

By The Governor

"Oh, that man would praise the Lord for his goodness, and for his wonderful works to the children of men."

IN ACCORDANCE with the custom long ago established by our fathers, it is entirely fitting that, at this season of the year, we should set apart a day of thanksgiving to Almighty God, the source of all good, for the manifold mercies and blessings that are ours.

There is an old legend which says that there are two angels whose duty it is to bear from earth the prayers of men. One is the angel of Requests and the other the angel of Thanksgiving. Each carries a large basket as he flies from place to place, listening at the doors of prayer-closets. The angel of Requests' soon has his baskets filled and heaped up with the supplications of men, but the angel of Thanksgiving, after going all his rounds, has only a few little hymns of gratitude in the bottom of his basket.

Therefore, by virtue of the authority vested in me as Governor of the State of Michigan, I hereby join the President of the United States in designating

Thursday, November 24 1921

as a day of Thanksgiving and Prayer.

Given under my hand and the Great Seal of the State, this tenth day of November, in the year of our Lord one thousand nine hundred and twenty-one, and of the Commonwealth the eighty-fifth.

ALEX J. GROESBECK,

Governor.

By the Governor:

CHARLES J. DELAND,
Secretary of State.

Detroit held in slaying of State Trooper, from this town.

KILLED EARLY IN YEAR

Hopes are expressed by officers connected with state police and Oakland county that the mystery of the killing of State Trooper Harold E. Anderson, at Novi, last March, may be cleared up in the detention of a Detroit man.

State Trooper F. C. Collins and Harold Hughes last night escorted to the Oakland county jail Thomas C. May of 5544 Martindale avenue, Detroit, where he will be held for investigation in connection with the shooting of Trooper Anderson. Col. Roy Vandercook, state police and Prosecutor C. D. Underwood were prepared to make an extensive probe into May's movements on the night of the shooting.

Fired Shots, Fled Scene.

Anderson, one of several state troopers stationed at Farmington, in company with Trooper Hughes, was sent to investigate the action of a large party of persons in a large car in a road near Novi, on the night of March 13. Information as to the actions of the party had reached the officers at Farmington. Anderson and Hughes walked over to the machine upon their arrival and asked the reason for the car being parked where it was and the business of its occupants at that time of night. The reply, according to officers, was a shower of bullets. Anderson was struck and died within a few minutes. The big car was thrown into gear and its occupants fled from the scene of the shooting.

Several months' efforts on the part of Oakland county authorities failed to produce results, although the officers here traced the car to Howell and there lost track of it.

Troopers Take Up Trail

State troopers were turned on the case and Trooper Hughes assigned to this particular task. These officers never gave up hope of finally landing their quarry.

From time to time various tips came to Trooper Hughes and he sifted them until they led him to the Detroit home of May yesterday, where he placed the man in custody.

According to Hughes, May is one (Continued on Page 8.)

SCHOOL NOTES.

Friday night of this week the Seniors will give a box social at the High school. Everyone invited.

The first debate will be with Redford, December 9th, on the question, "Resolved, that the principal of the Closed Shop in American industry should receive support of Public Opinion." Farmington High will uphold the affirmative and entertain the debate.

Wednesday night of this week there will be a try-out for debating team. Six will be left of the squad, these six will be divided into two teams to meet each other in a debate, at which time a team of three will be selected to represent Farmington High school in the Michigan High School Debating League.

Farmington defeated Plymouth on a snow-covered field last Friday by a 7-0 score. Farmington's touchdown came in the last quarter when Harger recovered a blocked punt behind Plymouth's goal line. Banfield kicked goal.

Several teams Farmington made long gains only to have the ball brought back and be penalized. Plymouth made the most of its gains by means of a cleverly executed forward pass attack.
