THE UNIVERSAL CAR

"The Ford Touring Car"

HERE is the greatest motor car in all the world. Great because there is more of it use than of any other car in the world. Great because that in our demand for a million and a quarter Ford cars this year fully 50 per cent of that demand is for the Touring Car. Surely every Ford touring car is a car of great service. You see it wherever you go, day or night, shine or rain, summer or winter—the ever-faithful Ford Touring Car is delivering service and satisfaction, pleasure and economy, in a larger measure than falls to the lot of any other one piece of mechanism in the world.

We can now deliver Ford cars to you with reasonable promptness. Leave your orders without delay, if you would be wise. The prudent man carries his umbrella when it is dry, because any fool can carry one when it rains!

Never forget that right hand to every Ford Touring Car is that ever-dependable and universal "Ford-After-Service." Here we are, with the genuine made Ford parts, Ford mechanics, and Ford equipment, to give service to Ford cars instantly, so that your car is never out of commission.
