Improvement

Essential.

Professor House of the Colorado Agricultural college is one of, the bestknown engineers in Culorado. He has
been head of the civil engineer deparment at that college for several years,
and has always been in close contact
with the fiftins of the state. [In speak,
Ing about roads, Professor House
says:

with the affairs of the state. In speaking about roads, Professor House
says:

"A great deal of agitation is being
carried on at the present time, concerning the construction of, concretetoads for Colorado, That sages of our
roads should be paved in this way,
there is no question, but I think we
should carefully guard against over
doing the matter. In order to be justidiable, road improvements must return
in economic and sodal, benefits an
amount at least equal to the interest,
depreciation and maintenaire, over
and above those of the old road.

"It is exactly the same as in order
and above those of the old road,
any business. The aujount that should
be invested in road improvement,
that sum within will give the nexuest

GOOD HIGHWAYS IN JAMATCA

tsland in British West Indies is Awak-

Improved Roads

The Island of Jamada, in the BritIsh West Indies, rich in laatural resources and active in trade, is awakening to a resiliation of the importance of good roads. The advect' of
the automobile has had, much to do
in the development of, ah agitation
which now prometse valuable results.
The system of modern
which it is propueed to build will
mean the speedy development of parts
of the island now more of less neglected because of their practical inaccessibility. Completion for a radial
system of good roads, would undoubtedily he followed by a geheral adopedily he followed by a geheral adopsystem of good roads would undoubt-edly he followed by a kepteral adop-tion of the motortruck for conveying the products to the sen. The for-crassed speed and efficient thus ac-quired would tend to promote larger production, and thereby hyrease the wealth for this already industrious is-

Change Road Leasion.
If the location of a used road is had it should be changed if prastible. In relocating roads avoid milroad crossings at grades.

"First Need of Farmer.
The first need of the farmer is good roads leading from the farms to market centers.

Concrete Base Urged.
Practically every highway eachiever though gares, that all reads should have a concrete base.

Quaker Minister Is Grateful to Tanlac

Rev. Parker Moon

Rev. Parker Moon

Nearly everybody in Southwest Misterilles, Farker Moon, who for a full their Farker Moon, who for a full that century has devoted his life and raintents to Slunday school-fland organization work for the Society of Friends or Quakers.

"Ducker Furker," as he is more familiarly known, came from fine old rusged Quaker stock, and there is not a better known or more highly respected ritizen th that part of the state, in teferring to his remarkable rest, torstion to health by Tanlac, he said:

"About Twe's years ago I suffered a general bregistown. My principal trouble was avery oper and my food seldom agreed with me, and I had to live of a very restricted diet. I suffered a grant deuf from headaches and dizzy spells: I had severe pains across the handl of my back and was buddy consispated most of the time. The southern was buddy consispated most of the time. The southern was buddy consispated most of the time. The southern was a great relief. "I keep a metals and live of a very restricted diet. I suffered a grant deuf from headaches and dizzy spells: I had severe pains a cross the handl of my back and was buddy consispated most of the time. The condition made me very never on and I bould not sleep at high. Frequently if would lie awake most all light and was in that conlition more or less for few years. My physician said she could not do anything for me and suggested a change of the statement for publication." The Menace.

"Oh, yes," she admirtted, "I keep a metaled in the publication of the statement for publication." The Menace.
"Oh, yes," she admirtted, "I keep a metale and more very never the statement for publication." The Menace.
