#### YOUR MONEY Is it Spent or Invested?

When you make a purchase these days you insist upon value received—you're not looking for an opportunity to spend your money—but to invest it.

The Electric Washer

is a real invesment—it's even more than a me saves your time, clothes and health in addition, a money saver-it

The Electric, Washer will cut out entirely high prices of laundries and washwomen with their indifferent work. Your clothes will last longer and look better because they have been carefully washed—under your own supervison—automatically:

—by electricity. It washes—wrings—rinses and blues—ab the real work and it does it in one-third the time.

What you says in laundry bill pare for the actions.

What you save in laundry bills pays for the machine. THE DETROIT EDISON CO.
