*Keep closer to your friends*

Are you letting those you care for drift away from you?  
That girl or boy at college. That chum in a nearby town. That relative.  
Distance is no excuse for neglecting them.  
Although perhaps you cannot visit them frequently, you still have an intimate and convenient means of communication.  
Long Distance Telephone Service brings them as near to you as your telephone.  
Connections with state towns are a matter of minutes; then you are all ready for a good heart to heart visit.  
Speak in a low ordinary tone; conversation can be heard distinctly.  
There is no need for neglecting acquaintances in other towns these days.  
Keep close to your friends. Show them that you care.  
Make the ring of the Long Distance Telephone your "calling card."
