

DARLING BABY. BRIGHTENS HOME

Children's Laughter a Pleasing Sound

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I had six children almost at birth. From one hour to nineteen days in all they have before my next one was born I took a dozen bottles of your Vegetable Compound, and out say that it is the greatest medicine on earth, for this baby is now four months old, and a healthier baby you would not want. I am sending you a picture of her. Everybody says 'That is a very healthy looking baby.' You have my consent to show these few lines to anybody."—Mrs. C. W. Benz, 181 2d Avenue, Altoona, Pa.

Mrs. Janssen's ex. experience of interest to childless wives.
Milltown, Wis.—"I want to give you a word of praise for your wonderful medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pinkham's Vegetable Compound, and it strengthened me so I now have a nice, strong, healthy baby girl. I suffered very little at childbirth, and I give all the credit to your medicine. It has always recommended it highly."—Mrs. H. H. Janssen, Milltown, Wis.

Mrs. Held of Marinette, Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:
Marinette, Wis.—"I was in a nervous condition and very irregular. My doctor advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. It overcame my weakness so that I now have a healthy baby girl after having been married nine years. I am glad to recommend your medicine, and you may use my letter as a testimonial."—Mrs. H. B. Held, 330 Jefferson St., Marinette, Wis.

There are many, many such homes that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregularities, displacements, weakness and nervousness.

Women everywhere should remember that most of the commoner ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles.

Therefore if you know of any woman who is suffering and has been unable to secure relief and is desperately looking forward to Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair.

HAD REPUTATION TO SUSTAIN BUT HE MADE FINE SPEECH

Farmer Had No Idea of Allowing Hired Man to Beat Him in Gathering Corn.

A Sullivan county farmer hired a man to help him gather his corn at season. Now the farmer is a reputation for being an efficient worker, but the hired man was not daunted by it. They started out side by side, the hired man being advised by the farmer to keep as close to him as he could with the row he was gathering.

At the new worker after a few minutes of keeping up with the farmer, passed him and soon was several feet ahead. Frankly the farmer pulled the ears from the stalks, but the new man still kept gathering. Then all at once he heard the farmer shout, "Stop, he's faster!" "Stop, if you stop to work for me I never get let my man who works for me get ahead of me."

Love of Pictures Universal
Marked his always two-faced. Faces, without a written language, have left behind them rude carvings and murals to attest the fact. When an industry arose that appealed to this ancient appetite for pictures, the artist moved. It did not matter how to see whether it would die or flourish. A dozen years ago the motion picture business, as we now know it, did not exist. Today the American public supports 16,000 moving picture theaters, makes 5,000,000 tickets to them a year and spends \$70,000,000 annually for this amusement.

Youngsters grow husky on Grape-Nuts

The great body-building values which Nature stores in wheat and barley, are retained in this easily digestible food.

The unique, sweet flavor of Grape-Nuts makes it a big favorite with both children and adults.

Prices Must Decrease.
Road material must go down in price or the hard road building program will be discontinued, according to Gov. Len Small of Illinois.

Poor Roads Cause Loss.
Bad roads keep you from marketing your products when the market is right.

BUILDING MANY NEW TRAILS

To Assist in Construction of Highway Federal Fund of \$64,535,019 Has Been Approved.

(Prepared by the United States Department of Agriculture.)

Between 9,000 and 10,000 miles of the marked trails in which the 34 marked trails which have been laid out by private associations.

Every automobilist is familiar with the Dixie highway, the Mohawk trail, the Roosevelt highway, and a score of other marked trails, which are so well built and maintained that driving on them is a joy and comfort. To assist in building these highways a federal fund of \$64,535,019 has been approved by the bureau of public roads of the United States Department of Agriculture up to September 30, 1929.

These trails do not constitute an entirely satisfactory system of transcontinental roads, as officials of the department say their selection in many cases has been influenced too much by such factors as pre-existing conditions, promise of improvement by local communities, pressure of selfish influence, and a desire to touch points of scenic and historical interest.

The extent to which federal aid has been applied to the trails varies in the different states. Naturally the Western states are under much more pressure for federal appropriations in developing roads of this character than the Eastern states. This is due to the fact that the trails in the Eastern states had already been improved to a great extent before the roads were selected by the postholders. This was not true in the West, where long stretches of the selected roads were still in an unimproved condition when they were designated.

Nevada leads in its use of federal funds on roads of this character.

Well, Jack," asked Mrs. Monrogh of her husband, "and what did you do, I mean, of the speech of your candidate for parliament at the next election?"

"Oh, Mary, he certainly is a great speaker!" assented her husband.

"What do you think of it?" asked his wife, "he spoke for long?"

Jack Monrogh whistled.

"Yes, my dear. He could beat even your sex at the game," he added unhesitatingly. "He spoke for three solid hours."

Mrs. Monrogh was accustomed to her husband's fibs and she let it pass unanswered.

"What did he talk about?" she queried.

Mr. Monrogh scratched his head in perplexity.

"Come to think of it," he answered at last, "he didn't exactly say 'London Answers'."

Plant at Victoria Falls.

The project to erect a power plant at Victoria Falls on the Zambezi river, in South Africa, has been received and it is exceedingly likely that a 220,000 horsepower plant will soon be under way at that place. It has been under discussion for many years, but the one thing which stood in the way was the proximity of cheap coal, but this fuel is now at such a price that there is a demand for hydro-electric power. Current will probably be conveyed to the Rand mines, 600 miles away.

MARKET REPORT

FURNISHED BY U. S. BUREAU OF MARKETS, WASHINGTON, D. C.

Hay

Light receipts caused, principally by the bad roads and the fact that the prices being received by the producers and shippers have resulted in higher prices in several markets. Receipts exceeded the demand at both Cincinnati and Memphis and prices have declined from \$1.07 on timothy and alfalfa in those markets. No Idaho hay reported at Kansas City but some on trucks unsold at Chicago.
