Fairbanks-Morse "Z" Farm Engines

Big reductions in prices have just been announced on "Z" engines. Remember that one or more of these engines on your farm will lighten your labor and help you get more work done.

The manufacturers have accepted their loss—we have accepted ours. You've been waiting for just this opportunity to buy at lower prices. Now you can do it.

Come in soon and let us show you the "Z" and prove the quality, design and workmanship, which convinced a lot of our farmer friends in this community that it is the one farm engine to buy.

MUSINGS

Many a church member gives more for politics than he does for religion.

The Indians were a canoe race, but the Americans of today are a yacht race.

It seems that when the landlord raises the rent the tenant must raise it, too, or get out.

Every time a short-haired little boy meets a little boy with long golden curls he wants to fight.

Don't roll cigarettes for the purpose of killing time. Time will transact business at the old stand long after you have quit.
