The Shadow of the Sheltering Pines

A New Romance of the Storm Country

By GRACE MILLER WHITE

"TONY, LITTLE TONY!"

ganaaainaaaaaaaaaaaaaaaa

Synopsis.-Lonely and friendless,

CHAPTER VIII-Continued.

CHAPTER VIII—continued.

"Where's munime?" he decinited, and nash acume a shorner "Where's and state?" Inominity showing the state, the hard wasted beared beared by the wasted beared by the wasted beared by the wasted by the w

Urink took another step toward the young cuptain.

"Than's your canoe, aja't it, roned to my dock?" he demaided fiercely. Well, hop in and seg laway if you don't want a broken shull."

Philip sent a flashing plance to the silent, white girl. There was such terror marked on her face that his teeth came 'together tensely.

"He gan't a till my mather comes."

ror marked on her face hat his teettle cane together tensely.

"He earl' so till my mother comes," she broke out abruptly. "I won't stay if he den't.

Urish's hand went back to his hip. "I guess hell go if I rel im to," said he. "Just hop hito your boat, kid, hefore if fil you ag to squr teeth with little bits of hot lend."

Tombel had witnessed seems like this before. She kneed het a timp resemble the said of the said had witnessed seems like this before. She kneed het a timp resemble the said had been and he gan before the said to the gan before the said to the

rope and threw it into the bow of the craft.

"Don't come back here if you don't want at taste of this," he snapped, louching his gun. "(der Jour and stay) but, mister."

With the end of the revolver he gave the cance a show, and Tony saw the paddle dip into the water and the bor move away.

Urialt stood a moment and looked off to the hills. Then locking Tony in the cabib ne went to where Regele lay on the shore and helped him back to the hust.

where Reggie was seen ad on a bunk, because the dami boat. They see the dawn on the first brain and the seen as mean and all of the seen as the day is made at the seen as the death of the seen as mean as the death of you always got in behind Ede when she was here, but now there after no skirts to shove inte off. You hear?

Beery vestige of blood left the wan

and off. You hear?"
Every vestige of bligot left the wan sound face,
"Where is immuny?" spe said, lifting imploring eyes to his.
"Dead?" paid Devon brutally, "as dead as a dioor mail. Here, my lady, if you holler I'll rap you one on the gole."
"Dead?" ['cried Tompilee]. "Pop, you're lying to me—I know you are?"
"Have it, your' own ways had," repiled Vrinb, with ar insedent handle, "the first way for my way had," repiled Vrinb, with ar insedent handle, "that one thanks with a insedent handle to get impose the airth here to buck against me now, What I want to get intoyour thick amadie by you're gold to Adount. See?"

The girl's eyes remained concrete on his face, herror deep sasted in their gray depths.
"Have I begin begin with to marry you?" continued here with a wide way at the heart her with expression of the I mean it," worly fell from Tony's this but the winth expression of her face slink; the my my and as he had hearten his wife, so he lad the blows about the view's head and shoulders.

The pix fell from Tony's arms in her desperance efforts to footect herself.

him but little. At the girl's fearful plea Devon stepped back and glared

at her.

"Will you do what I bid you, miss?"
ha demanded hoursely. "I'd as soon
kill you as take a wink."

Tonnibel made no auswer save to
weep more widely, and, because she
did not make ready reply, Uriah
struck her ugain. Then auddenly
Reginald stood up.
"Don't his er my more, Dev' he
drawled. "Shut ier up a while and
keep fer without frub, and she'll come
to time." Give a water water to come
to time. Give a water water to think it
were. God, but to think it
has been been been been been deep a
black and blue as the selection of the
black held. Sammed the door and
better three-held, sammed the door and
better the bod. MacCouley had maddled away

the threshold, standard the dole and tocked it.

Philip MacCube had paddled away from the Dirty Mary with a duli, sick fear for the girl he had had to leave behind. To fight single-handed a drinken una with a gun was fuel-hardy and would do little Tony no rootd.

CHAPTER IX.

CHAPTER IX.

The Face in the Window.

By the occlose a bleavy rain and wind had settled over the Storm to send the Cornel that the wares were rolling southward like interpreted mountquis. Once in a while a heavy thud of thunder revelented the rorner than the same were the lake from the north-losing its rort back of the Cornel buildings on the university campus.

Devon's canni bout was following the littlet up which was hugging the western abore northward. Tonnibels, man searching through the darkness from the small window. But the only thing she could see was the dark bank slong which they crept and which once in a while was lit up by a vital streak of lighting.

Suddenly the engine stopped, and as if she imagined Gugsle could help he she gathered her into the arms of the control of the contr

It was that a girl's face clime to the window.

The canon almost, crashed against the side of the bigger boag as it game sidewise of it, and Philin caught, at it desperately. Slowly, Hittiga thinself un he thrust his face close to Topy's. Slow was staring at him blinkly as it his ghost had suddenly risen out of the stormtossed lake.

Thor't do that, darfing, he whispered as she drew hack in terror? The going to take you away."

Then she realized who it was, and reached out and clutched at him. Perathesely.

"Then she realized who it was, and reached out and clutched at him. Perathesely."

"It had through," gubriconed Philingham of the property of

see him hidden as up there in the darkness.

For a long time, through which Tonnibel never moved, Philip waited. Theneu on the canal boat seemed allied
with terror. They ran from pine and
of it to the other. He heard them calling to and fro, and done in a while an
oath escaped from Devon as he
screamed his daughler's name loudly.

It was not until he saw one of them
clubu upon the tug and leard the sudden clang of the ongine, that the boy
took up his paddle and junced slowly
along the shore southwa'd, and, as he
was poling with the wine. Philip made
rapid progress toward the head of the
lake.

was going with the wine. Finity inflate rapid progress toward the head of the lake.

In a little cove he drew the cance to the shore and, springing out, it is length from the water.

Then he called softly: "Tony—little Tony."

The girl stirred and litted her head. "Yep," she sighed. "Th here."

"Come out." said. Philip, leaning over and taking, hold of her arm. "There! Child, don't shake so. You're safe here with mid; and I suphose they think you're drey'heid by this Can't you step oi, "done".

She was trembly, so he had to pick her up and litt it rout in his arms. Then he carried, er under an overhanding rock an iphaced her on the sand.

Through many this and hores she

Then he carried or under an over-hanring rose an epineed her on the sand.

Through many bbs and fears, she told thin all that ad happened on the canal boat, and int her father had said her mether was dead. And so touched was Philip MacCauler, he felt the tenrs rim his own lashes. For a long time, in face until the relin ceases to beat upon the roles and shore, they stayed under cever. Most of the time they were slient, most of the fine they had the cury lead against his hreast. When the dawn began to break Tonnibel roused heyself. "Trun golor away by the said." "I'm golor away up the work of the time they were slient, most of the time. "Trun golor away by the said." "Trun golor away by the said. "The gol to go to my triends. And I can't tell you just how much I'm the said to the time of the said of the time of the time of the said under her breath. "The coulm't said under her breath. "The coulm't back here to this hole some day."

"I can't tell. Please don't
