Probably not. The selection of delegates is based ordinarily on knowledge that certain members of any chapter have the time and the inclination to serve. The purpose of the organization is to represent the American people.

while there was so much suffering in the world. It seems entirely probable, therefore, that Mr. Wilson saved a considerable part of his yearly salary.

One Dignified Way to Do It. It has been suggested in Washington by some of the men who have discussed this position that there is a dignified method by which the end sought can be accomplished.

The president of the United States is the commander in chief of the army and navy of the country. He is, therefore, in a sense the military officer of the land. The suggestion is that a president on leaving office should be placed on the retired list of one of the other of the armed services, just as officers are placed there when they are eligible for retirement.

If this were done, the president would receive, as retired pay, from the government, a certain percentage of his pay when he was of active duty as commander in chief. No army officer or naval officer is eligible for retired pay as a pension. There is no one who thinks that if something must be done for our ex-presidents, this might be the means employed to do it.

Not long ago the daughter of a former president of the United States died in a non-charitable institution.

THREE YEAR OLD WASHED ASHORE

Mrs. Dingman Tells of Adventure of Childhood When Father's Ship Was Wrecked.

RELATES LATER EXPERIENCE

Declares That the Way Tanlac Restored Her Health Is More Remarkable Than Anything She Has Ever Had Happen to Her.

"I've had some remarkable experiences in my life, but none more wonderful than the way Tanlac overcame my troubles and made me gain twenty pounds," was the statement of Mrs. Christine K. Dingman, 1216 Albee St., Oakland, Calif.

One of the experiences to which Mrs. Dingman refers is well known to her friends. When a child of three years, accompanying her father, a noted sea captain, on an ocean trip, the vessel was wrecked, but she was almost miraculously saved.

The small box into which she was put being washed ashore. According to her statement, Mrs. Dingman enjoyed the best of health until three years ago when she began to suffer from a bad form of stomach trouble and later from rheumatism. How she was completely restored to health is best told in her own words:

"Nobody knows how I suffered for the past three years. No matter how carefully I ate I would endure agonies afterwards from smothering and sinking spells. Sometimes they were so severe I would fall to the floor and would have to be carried to bed. I went for days at a time without eating, as I dreaded the misery I knew would follow, no matter what I ate. Then rheumatism set in and my shoulders and arms hurt me so I couldn't comb my hair. My back felt like it was breaking in two."

"I was almost in the depths of despair when I began on Tanlac, but this grand medicine has made me a well and happy woman. I'm not even troubled with constipation now, thanks to the Laxative Tablets, which are far superior to anything of the kind I ever tried. It seems almost too good to be true, but here I am in the best of health and spirits after I had given up hope, and I'll always praise Tanlac for it."

Tanlac is sold by leading druggists everywhere.—Advertisement.

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be dependent; it makes you, one.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine, will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.—Adv.

Spiritual Truth. "Divide a bit do I believe the message these mediums are after getting from the dead," declared Dugan. "You can't tell whether they're true or not."

"More foot ye. Ye can and I can prove it," contradicted Monahan. "By mistake I was reported killed entirely in the war, and one day me sister went to a medium who told her I was within! I was luck on earth. And at the very time I was on a transport in a high sea, I ye mild!"
